

Everyday Prayer for Health

I command my immune system to be restored and stay restored in the name of Jesus Christ. I command my immune system to be effective in stopping diseases, germs, and viruses from afflicting my body in the name of Jesus Christ. I command any disease, virus, or bad bacteria whither and die and naturally leave my entire body in the name of Jesus.

In the name of Jesus Christ I command all of the magnetic, electrical, chemical, and hormonal frequencies to return to normal harmony and balance.

Please Lord give me a Sound mind and Body. Please lengthen my days so I may be of service to you all the days of my life.

Matthew 21:22- If you believe, you will receive, Whatever you ask in prayer.

Thank you Jesus for answering my prayer.
