

Healing Prayer

With all boldness and confidence based on the power and authority of God's Word, I declare that I am healed. God has sent His Word and healed me. Jesus redeemed me from the curse of sin, sickness, and death. By the stripes of Jesus Christ I am healed! Jesus came to give me abundant life. I will love and not die and declare the wonderful works of the Lord. I walk in divine health. There is nothing broken, missing, or lacking in me. The Word of God is life and health to all my flesh. Sickness and disease have no right to me. God will oversee His Word of healing to perform and bring it to pass. God works in me to fulfill His good purpose and plans. I am fully persuaded that I have health, healing, and abundant life in the Name of Jesus.
