

## Prayer of Healing

When you are sick in any form this is the time to stand on God's word. Say God's scriptures out loud, and repeat, "I claim these scriptures in the name of Jesus on person's name behalf. I trust God is who He says He is, and I trust I am who He says I am. I know God that miracles happen instantaneously, but that healing can take a little time. I also know that You can heal \_person's name\_ instantaneously, or choose to use other people to heal such as doctors. How you choose to heal person's name is not my business. My business is to believe what you say." Matthew 21:22 "If you believe, you will receive whatever you ask in prayer"

Dear Father,

I come to you with a heavy heart. I need a healing. I know Father that Your will is for person's name to be well. Not one single time in scripture did Jesus ever turn down a healing when He was asked. You teach us that Your Will is for it to be on Earth, as it is in Heaven. Because it is perfect in Heaven, with no disease or sickness, we know Your will is for Earth to be the same way. Father, I ask that you heal person's name in every aspect of their/my life. I ask that you heal their/my mind, body and soul. I declare your healing scriptures over their/my life, and I claim your promises as their/my own. I promise to say your healing scriptures out loud and over myself and others who need healing. I will not let Satan defeat me any longer. I will rebuke and not accept any negative doctor's report. I will only believe you Father. I thank you Father for their/ my healing already being on its way. I anxiously wait with anticipation for their/my total healing.

In Your Heavenly name I pray,

Amen
